JHP Holiday Card Templates 2016

For 2016, I am offering a selection of foil pressed templates on gorgeous classic felt paper stock. Each design can be printed with gold, silver or red foil, the backs have room for a custom message. Each card is flat, not folded and 5x7 in dimensions, a single pack is 25 cards and comes with envelopes. Each pack is \$135.

The customization is limited to including the family name on the front and/or the back, and a personalized message on the back.

Orders must be placed before the end of November to guarantee timely delivery. Make sure to chose both a front design, a back design and a foil color.
